Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 28, 2014, based on a complaint filed by Magna Electronics Inc. of Auburn Hills, Michigan. See 79 FR 4490-91 (Jan. 28, 2014). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain vision-based driver assistance system cameras and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 8,116,929 ("the '929 patent") and 8,593,521 ("the '521 patent"). The complaint further alleges the existence of a domestic industry. Subsequently, the complaint and notice of investigation were amended by adding U.S. Patent Nos. 8,686,840 ("the '840 patent") and 8,692,659 ("the '659 patent"), and by terminating the investigation in-part as to all claims of the '521 patent. The '929 patent was later terminated from the investigation. The respondent named in the Commission's notice of investigation is TRW Automotive U.S., LLC of Livonia, Michigan ("TRW"). The Office of Unfair Import Investigations ("OUII") was also named a party in the investigation.

On April 27, 2015, the ALJ issued his final ID. The ID found that no violation of section 337 has occurred. Specifically, the ID found that the '659 and '840 patents were not indirectly infringed, that the '840 patent is invalid, and that the domestic industry requirement for the '840 patent has not

been met. The ALJ also issued his recommendation on remedy and bonding.

On May 11, 2015, Magna and TRW each filed petitions for review. On May 19, 2015, the parties, including OUII, filed responses to the respective petitions for review. On May 28, 2015, Magna filed a corrected response. The Commission determined to review the ID's findings with respect to: (1) Importation; (2) whether the asserted claims of the '659 patent require a camera; (3) direct infringement of the '659 patent; (4) induced infringement of the '659 and '840 patents; (5) contributory infringement of the '659 and '840 patents; (6) whether the '659 patent satisfies the requirements of 35 U.S.C. 112; (7) anticipation of the '659 patent claims based on Rayner; (8) anticipation of the '659 patent claims based on Batavia; (9) anticipation of the '659 patent claims based on the SafeTrac Prototype; (10) obviousness of the '659 patent based on Rayner in combination with Blank; (11) obviousness of the '659 patent based on Batavia, the SafeTrac Prototype, and the Navlab 1997 Demo; (12) whether the claims are invalid under the America Invents Act § 33(a); and (13) the technical prong of domestic industry for the '659 and '840 patents.

On August 17, 2015, the parties briefed the issues on review, remedy, bonding, and the public interest. On August 27, 2015, the parties filed their reply submissions. After the conclusion of this briefing, TRW filed "Respondent's Short Submission Out Of Time Regarding Complainant Admission on Commission Topic 2" and Magna filed a response thereto.

After considering the final ID, written submissions, and the record in this investigation, the Commission has determined to affirm-in-part and reverse-in-part the final ID and to terminate the investigation with a finding of no violation of section 337. Specifically, the Commission finds that (1) the importation requirement has not been satisfied for the '659 patent; (2) the asserted claims of the '659 patent do not require a camera; (3) certain automobiles equipped with a mounting system configured to receive certain accused products directly infringe the '659 patent; (4) the accused products do not contributorily infringe the '659 patent; (5) the accused products do not induce infringement of the '659 patent; (6) claims 1 and 3 of the '659 patent are invalid under 35 U.S.C. 103 based on Rayner in view of Blank; (7) claims 1 and 3 of the '659 patent are not anticipated by Rayner; (8) the asserted claims are not invalid under the

America Invents Act § 33(a); (9) the technical prong of the domestic industry requirement for the '840 patent has not been met; and (10) the technical prong of the domestic industry requirement for the '659 patent has not been met. The Commission also (11) takes no position on indirect infringement of the '840 patent; (12) takes no position on importation with respect to the '840 patent; (13) takes no position on whether claim 1 of the '659 patent is invalid based on Batavia, the SafeTrac Prototype, and the Navlab 1997 Demo, either alone or in combination; (14) takes no position on whether the asserted claims of the '659 patent satisfy the requirements of 35 U.S.C. 112; and (15) rejects TRW's filing titled "Respondent's Short Submission Out Of Time Regarding Complainant Admission on Commission Topic 2."

A Commission Opinion will issue shortly.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it has instituted a review pursuant to the Tariff Act of 1930 ("the Act"), as amended, to determine whether revocation of the antidumping duty order on wooden bedroom furniture from China would be likely to lead to continuation or recurrence of material injury. Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the

Commission; ¹ to be assured of consideration, the deadline for responses is December 2, 2015. Comments on the adequacy of responses may be filed with the Commission by January 14, 2016.

DATES: *Effective Date:* November 2, 2015.

FOR FURTHER INFORMATION CONTACT:

Mary Messer (202–205–3193), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.— On January 4, 2005, the Department of Commerce issued an antidumping duty order on imports of wooden bedroom furniture from China (70 FR 329). Following the first five-year reviews by Commerce and the Commission, effective December 30, 2010, Commerce issued a continuation of the antidumping duty order on imports of wooden bedroom furniture from China (75 FR 82373). The Commission is now conducting a second review pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission's Rules of Practice and Procedure at 19 CFR parts 201, Subparts A and B and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The

Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) The *Subject Country* in this review is China.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination and its full first five-year review determination, the Commission found one *Domestic Like Product* consisting of all wooden bedroom furniture, including both joinery and non-joinery forms, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination, the Commission defined the *Domestic Industry* as all domestic producers of wooden bedroom furniture. In its full first five-year review determination, the Commission defined the *Domestic Industry* as all producers of the *Domestic Like Product*, except those firms for which it specifically excluded because their primary interest was as *Importers of the Subject Merchandise* rather than as *Domestic Producers*. Certain Commissioners defined the *Domestic Industry* differently in the full first five-year review.

(5) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the proceeding and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons,

or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission's designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter as an earlier review of the same underlying investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b) (19 CFR 201.15(b)), 79 FR 3246 (Jan. 17, 2014), 73 FR 24609 (May 5, 2008). Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the same underlying investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202–205–3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this proceeding available to authorized applicants under the APO issued in the proceeding, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the proceeding. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with this proceeding must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the

Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct an expedited or full review. The deadline for filing such comments is January 14, 2016. Please be aware that the Commission's rules with respect to filing have changed. The most recent amendments took effect on July 25, 2014. See 79 FR 35920 (June 25, 2014), and the revised Commission Handbook on E-filing, available from the Commission's Web site at <http://edis.usitc.gov>. Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the proceeding must be served on all other parties to the proceeding (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the proceeding you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act (19 U.S.C. 1677e(b)) in making its determination in the review.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("Section 337"), on June 25, 2015, based on a complaint filed by Pacific Bioscience Laboratories, Inc. of Redmond, Washington ("PBL") on April 30, 2015. An amended complaint was filed on May 20, 2015. 80 FR 36576-77 (Jun. 25, 2015). The amended complaint, as supplemented, alleges a violation of Section 337 by reason of infringement of certain claims of U.S. Patent Nos. 7,320,691 ("the '691 patent") and 7,386,906, and U.S. Design Patent No. D523,809 by numerous respondents. The amended complaint further alleges violations of Section 337 based upon the importation into the United States, or in the sale of certain electric skin care devices, brushes and chargers therefor, and kits containing the same, by reason of trade dress infringement, the threat or effect of which is to destroy or substantially injure an industry in the United States. *Id.* The Commission's Office of Unfair Import Investigations ("OUII") was also named as a party.

On September 23, 2015, the Commission investigative attorney filed a response supporting the motion in part and opposing the motion in part. On September 28, 2015, PBL filed a reply brief.

On October 2, 2015, the ALJ issued Order No. 22, granting-in-part and denying-in-part complainant's motion. The ALJ granted PBL's motion with
