The Department intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless the deadline is extended.<sup>7</sup>

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess upon issuance of the final results, antidumping duties on all appropriate entries covered by this review.<sup>8</sup>

We calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the examined sales to that importer. If JBL Canada's calculated weighted-average dumping margin is above *de minimis* in the final results of this review, we will instruct CBP to assess antidumping duties on all appropriate entries covered by this review. If JBL Canada's weighted-average dumping margin continues to be zero or *de minimis*, or the importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.<sup>9</sup>

We intend to issue instructions to CBP 41 days after the date of publication of the final results of this review.

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for JBL Canada will be the rate established in the final results of this review, except if the rate is *de minimis* within the meaning of 19 CFR 351.106(c)(1) (*i.e.*, less than 0.50 percent), in which case the cash deposit rate will be zero; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently-completed segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 23.21 percent, the all-others rate established in the less-than-fair-value

investigation.<sup>10</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 24, 2017.

**SUMMARY:** As a result of this sunset review, the Department of Commerce (“Department”) finds that revocation of the antidumping duty (“AD”) order on certain artist canvases from the People’s Republic of China would be likely to lead to the continuation or recurrence of dumping at the dumping margins identified in the “Final Results of Review” section of this notice.

**SUPPLEMENTARY INFORMATION:**

**Background**

On October 3, 2016, the Department published the notice of initiation of the second sunset review of the AD *Order*<sup>1</sup> on certain artist canvases from the People’s Republic of China (“PRC”) pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”). On October 17, 2016, Tara Materials, Inc., (“Tara Materials”),<sup>2</sup> BF Inkjet Digital Inc., IJ Technologies, Inc. and Permalite Inc. (“Domestic Interested Parties”), notified the Department that they intended to participate in the sunset review. On November 2, 2016, the Domestic Interested Parties submitted a substantive response. The Department did not receive a substantive response from any respondent party. Based on the notice of intent to participate and adequate response filed by the Domestic Interested Parties, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the *Order* pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

**Scope of the Order**

The products covered by the order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist

materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by the order.

Artist canvases subject to the order are currently classifiable under subheadings 5901.90.20.00, 5901.90.40.00, 5903.90.2500, 5903.90.2000, 5903.90.1000, 5907.00.8090, 5907.00.8010, and 5907.00.6000 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Specifically excluded from the scope of the order are tracing cloths, “paint-by-number” or “paint-it-yourself” artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.<sup>3</sup> Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

**Analysis of Comments Received**

A complete discussion of all issues raised in this sunset review is addressed in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice.<sup>4</sup> The issues discussed in the accompanying I&D Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margin likely to prevail if the *Order* is revoked. The I&D Memo is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <https://access.trade.gov> and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed at [<sup>3</sup> Artist canvases with a non-copyrighted preprinted outline, pattern, or design are included in the scope, whether or not included in a painting set or kit.](http://</a></p>

**Final Results of Sunset Review**

Pursuant to section 751(c) of the Act, the Department determines that revocation of the *Order* on certain artist canvas would likely lead to continuation or recurrence of dumping and that the magnitude of the margins of dumping likely to prevail is up to 264.09 percent.

**Notification Regarding Administrative Protective Order**

This notice also serves as the only reminder to parties subject to administrative protective order (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing these results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.
