The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission’s rules, upon notice from the Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under section 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under section 735(a) of the Act. Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office

of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of July 27, 2016 (81 FR 49262). The conference was held in Washington, DC, on August 11, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to section 733(a) of the Act (19 U.S.C. 1673b(a)). It completed and filed its determinations in these investigations on September 6, 2016. The views of the Commission are contained in USITC Publication 4636 (September 2016), entitled *Emulsion styrene-butadiene rubber from Brazil, Korea, Mexico, and Poland: Investigation Nos. 731-TA-1334-1337 (Preliminary)*.
