**SUPPLEMENTARY INFORMATION:**

**Background**

On October 3, 2016, the Department published the notice of initiation of the second sunset review of the AD Order<sup>1</sup> on certain artist canvases from the People’s Republic of China (“PRC”) pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”). On October 17, 2016, Tara Materials, Inc., (“Tara Materials”),<sup>2</sup> BF Inkjet Digital Inc., IJ Technologies, Inc. and Permalite Inc. (“Domestic Interested Parties”), notified the Department that they intended to participate in the sunset review. On November 2, 2016, the Domestic Interested Parties submitted a substantive response. The Department did not receive a substantive response from any respondent party. Based on the notice of intent to participate and adequate response filed by the Domestic Interested Parties, and the lack of response from any respondent interested party, the Department conducted an expedited sunset review of the Order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2).

**Scope of the Order**

The products covered by the order are artist canvases regardless of dimension and/or size, whether assembled or unassembled, that have been primed/coated, whether or not made from cotton, whether or not archival, whether bleached or unbleached, and whether or not containing an ink receptive top coat. Priming/coating includes the application of a solution, designed to promote the adherence of artist

materials, such as paint or ink, to the fabric. Artist canvases (*i.e.*, pre-stretched canvases, canvas panels, canvas pads, canvas rolls (including bulk rolls that have been primed), printable canvases, floor cloths, and placemats) are tightly woven prepared painting and/or printing surfaces. Artist canvas and stretcher strips (whether or not made of wood and whether or not assembled) included within a kit or set are covered by the order.

Artist canvases subject to the order are currently classifiable under subheadings 5901.90.20.00, 5901.90.40.00, 5903.90.2500, 5903.90.2000, 5903.90.1000, 5907.00.8090, 5907.00.8010, and 5907.00.6000 of the Harmonized Tariff Schedule of the United States (“HTSUS”). Specifically excluded from the scope of the order are tracing cloths, “paint-by-number” or “paint-it-yourself” artist canvases with a copyrighted preprinted outline, pattern, or design, whether or not included in a painting set or kit.<sup>3</sup> Also excluded are stretcher strips, whether or not made from wood, so long as they are not incorporated into artist canvases or sold as part of an artist canvas kit or set. While the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

**Analysis of Comments Received**

A complete discussion of all issues raised in this sunset review is addressed in the accompanying Issues and Decision Memorandum, which is hereby adopted by this notice.<sup>4</sup> The issues discussed in the accompanying I&D Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the dumping margin likely to prevail if the Order is revoked.
