## INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-1279 (Final)]

### Hydrofluorocarbon Blends and Components From China; Scheduling of the Final Phase of an Antidumping Duty Investigation

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice of the scheduling of the final phase of antidumping duty investigation No. 731-TA-1279 (Final) pursuant to the Tariff Act of 1930 ("the Act") to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of hydrofluorocarbon ("HFC") blends and components from China, provided for in subheadings 3824.78.00 (HFC blends) and 2903.39.20 (HFC components) of the Harmonized Tariff Schedule of the United States, preliminarily determined by the Department of Commerce to be sold at less-than-fair-value.<sup>1</sup>

<sup>1</sup> For purposes of this investigation, the Department of Commerce has defined the subject merchandise as "blended hydrofluorocarbons (HFCs) and single HFC components of those blends thereof, whether or not imported for blending. HFC blends covered by the scope are R-404, a zeotropic mixture consisting of 52 percent 1,1,1-Trifluoroethane, 44 percent Pentafluoroethane, and 4 percent 1,1,1,2-Tetrafluoroethane; R-407A, a zeotropic mixture of 20 percent Difluoromethane, 40 percent Pentafluoroethane, and 40 percent 1,1,1,2-Tetrafluoroethane; R-407C, a zeotropic mixture of 23 percent Difluoromethane, 25 percent Pentafluoroethane, and 52 percent 1,1,1,2-

**DATES:** *Effective:* February 1, 2016.

**FOR FURTHER INFORMATION CONTACT:** Joanna Lo (202-205-1888), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

#### SUPPLEMENTARY INFORMATION:

**Background.**—The final phase of this investigation is being scheduled, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)), as a result of an affirmative preliminary determination by the Department of Commerce that imports of hydrofluorocarbon blends and components thereof from China are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b).

Tetrafluoroethane; R-410A, a zeotropic mixture of 50 percent Difluoromethane and 50 percent Pentafluoroethane; and R-507A, an azeotropic mixture of 50 percent Pentafluoroethane and 50 percent 1,1,1-Trifluoroethane also known as R-507. The foregoing percentages are nominal percentages by weight. Actual percentages of single component refrigerants by weight may vary by plus or minus two percent points from the nominal percentage identified above.

The single component HFCs covered by the scope are R-32, R-125, and R-143a. R-32 or Difluoromethane has the chemical formula  $\text{CH}_2\text{F}_2$ , and is registered as CAS No. 75-10-5. It may also be known as HFC-32, FC-32, Freon-32, Methylene difluoride, Methylene fluoride, Carbon fluoride hydride, halocarbon R32, fluorocarbon R32, and UN 3252. R-125 or 1,1,1,2,2-Pentafluoroethane has the chemical formula  $\text{CF}_3\text{CHF}_2$  and is registered as CAS No. 354-33-6. R-125 may also be known as R-125, HFC-125, Pentafluoroethane, Freon 125, and Fc-125. R-143a or 1,1,1-Trifluoroethane has the chemical formula  $\text{CF}_3\text{CH}_3$  and is registered as CAS No. 420-46-2. R-143a may also be known as R-143a, HFC-143a, Methylfluoroform, 1,1,1-Trifluoroform, and UN2035.

Excluded from this investigation are blends of refrigerant chemicals that include products other than HFCs, such as blends including chlorofluorocarbons (CFCs) or hydrochlorofluorocarbons (HCFCs).

Also excluded from this investigation are patented HFC blends, such as ISCEON® blends, including MO99TM (RR-438A), MO79 (R-422A), MO59 (R-417A), MO49PlusTM (R-437A) and MO29TM (R-4 22D), Genetron® PerformaxTM LT (R-407F), Choice® R-421A, and Choice® R-421B.

We note that HFC blends were classified at HTSUS subheading 3824.78.0020 and single component HFCs were classified at HTSUS subheading 2903.39.2030 in 2015."

The investigation was requested in a petition filed on June 25, 2015, by the American HFC Coalition, and its members: Amtrol, Inc. (West Warwick, Rhode Island); Arkema, Inc. (King of Prussia, Pennsylvania); The Chemours Company FC LLC (Wilmington, Delaware); Honeywell International Inc. (Morristown, New Jersey); Hudson Technologies (Pearl River, New York); Mexichem Fluor Inc. (St. Gabriel, Louisiana); Worthington Industries, Inc. (Columbus, Ohio); and District Lodge 154 of the International Association of Machinists and Aerospace Workers ("IAMAW").

For further information concerning the conduct of this phase of the investigation, hearing procedures, and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

**Participation in the investigation and public service list.**—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of this investigation as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission's rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigation need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigation.

**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.**—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of this investigation available to authorized applicants under the APO issued in the investigation, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigation. A party granted access to BPI in the preliminary phase of the investigation need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

*Staff report.*—The prehearing staff report in the final phase of this investigation will be placed in the nonpublic record on June 7, 2016, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

*Hearing.*—The Commission will hold a hearing in connection with the final phase of this investigation beginning at 9:30 a.m. on Tuesday, June 21, 2016, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before June 10, 2016. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should participate in a prehearing conference to be held on June 14, 2016, at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

*Written submissions.*—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is June 14, 2016. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is June 28, 2016. In addition, any person who has not entered an appearance as a party to the investigation may submit a written statement of information pertinent to the subject of the investigation, including statements of support or opposition to the petition, on or before June 28, 2016. On July 13, 2016, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before July 15, 2016, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section

201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on E-Filing*, available on the Commission's Web site at <http://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** This investigation is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: February 24, 2016.

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-551-553 and 731-TA-1307-1308 (Preliminary)]

### Certain New Pneumatic Off-the-Road-Tires From China, India, and Sri Lanka

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of certain new pneumatic off-the-road tires ("OTR tires") from India, provided for in subheadings 4011.20.10, 4011.20.50, 4011.61.00, 4011.62.00, 4011.63.00, 4011.69.00, 4011.92.00,

<sup>1</sup> The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

4011.93.40, 4011.93.80, 4011.94.40, 4011.94.80, 8431.49.90, 8709.90.00, and 8716.90.10<sup>2</sup> of the Harmonized Tariff Schedule of the United States, that are allegedly sold in the United States at less than fair value ("LTFV") and imports of OTR tires that are allegedly subsidized by the governments of India and Sri Lanka.

The Commission also found that imports of OTR tires from China are negligible pursuant to section 771(24) of the Act, and its investigations with regard to imports from this country are thereby terminated pursuant to section 733(a)(1) of the Act.

#### Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in section 207.21 of the Commission's rules, upon notice from the Department of Commerce ("Commerce") of affirmative preliminary determinations in the investigations of OTR tires from India and Sri Lanka under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

#### Background

On January 8, 2016, Titan Tire Corporation of Des Moines, Iowa and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL-CIO, CLC of Pittsburgh, Pennsylvania filed petitions with the Commission and Commerce, alleging that an industry in the United

<sup>2</sup> OTR tires may also enter under the following HTS subheadings: 4011.99.45, 4011.99.85, 8424.90.90, 8431.20.00, 8431.39.00, 8431.49.10, 8431.49.90, 8432.90.00, 8433.90.50, 8503.00.95, 8708.70.05, 8708.70.25, 8708.70.45, and 8716.90.50.
