

## EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

*Certain Frozen Fish Fillets from Vietnam*  
Inv. No. 731-TA-1012 (Third Review)

On January 6, 2020, the Commission determined to conduct a full review in the subject five-year review pursuant to section 751(c)(5) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1675(c)(5).

The Commission received a joint response to its notice of institution on behalf of the Catfish Farmers of America, an association of U.S. catfish farmers and processors, and several individual catfish processors: America's Catch, Inc.; Alabama Catfish, LLC d/b/a Harvest Select Catfish, Inc.; Consolidated Catfish Companies, LLC d/b/a Country Select Catfish; Guidry's Catfish, Inc.; Heartland Catfish Company; Magnolia Processing, Inc. d/b/a Pride of the Pond; and Simmons Farm Raised Catfish, Inc. (collectively, "domestic interested parties"). The Commission determined that the individual responses from the domestic interested parties were adequate. The Commission further determined that the domestic interested parties' group response was adequate because domestic interested parties accounted for a majority of domestic production of certain frozen fish fillets in 2018.

The Commission also received a joint response to its notice of institution from 28 individual members of the Vietnam Association of Seafood Exporters and Producers, which are producers and/or exporters of subject merchandise (collectively, "respondent interested parties").<sup>1</sup> The Commission determined that the individual responses from the respondent interested parties were adequate. The Commission further determined that the respondent interested parties' group response was adequate because the respondent interested parties accounted for a majority of the production of subject merchandise in 2018.

Because the group responses from both the domestic interested parties and the respondent interested parties were adequate, the Commission determined to conduct a full review of the order.
