

2020). On June 22, 2020, the ALJ issued the subject RD finding no infringement of claim 19 of the '693 patent by Wirtgen's redesigned series 1810 machines.

On July 2, 2020, both Caterpillar and Wirtgen filed comments concerning the RD's findings, and on July 10, 2020, the parties filed responses to each other's comments. Wirtgen challenges the legality of the modification proceeding and the RD's finding that Wirtgen bears the burden of proof in such proceeding. In addition, Wirtgen faults the RD for construing a claim term, which, according to Wirtgen, is not permissible in the context of a modification proceeding. Caterpillar disagrees with the RD's claim construction and the RD's finding that Wirtgen's redesigned machines do not infringe claim 19 of the '693 patent.

Having reviewed the record of the underlying violation investigation, as well as the record of the modification proceeding, including the RD and the parties' comments and responses thereto, the Commission has modified the LEO and CDO to include an explicit carve-out with respect to Wirtgen's redesigned series 1810 machines as stated in the accompanying Order. Specifically, the Commission affirms the RD's claim construction determination and noninfringement findings as to the redesigned series 1810 machine. The Commission rejects Wirtgen's challenges to the scope of the LEO and CDO, as issued, and Wirtgen's challenges to the propriety of this modification proceeding. The Commission's decisions are explained more fully in the Commission Opinion that accompanies this notice.

The Commission vote for this determination took place on August 31, 2020.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: August 31, 2020.

Lisa Barton,

Secretary to the Commission.

Alejandro Orozco (202-205-3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On May 8, 2020, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 5980, February 3, 2020) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of these reviews and rules

of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary's Office will accept only electronic filings at this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on September 2, 2020, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before September 8, 2020 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by September 8, 2020. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² The Commission has found the responses submitted by Nashville Wire Products Manufacturing Company and SSW Holding Company, Inc. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: August 31, 2020.

Secretary to the Commission.
