SUPPLEMENTARY INFORMATION:

Scope.—For purposes of these investigations, Commerce has defined the subject merchandise as certain lemon juice (1) with or without addition of preservatives, sugar, or other sweeteners; (2) regardless of the GPL (grams per liter of citric acid) level of concentration, brix level, brix/acid ratio, pulp content, clarity; (3) regardless of the grade, horticulture method (e.g., organic or not), processed form (e.g., frozen or not-from-concentrate), the size of the container in which packed, or the method of packing; and (4) regardless of the U.S. Department of

Agriculture Food and Drug Administration (FDA) standard of identity (as defined under 19 CFR 146.114 *et seq.*) (i.e., whether or not the lemon juice meets an FDA standard of identity).

Excluded from the scope are: (1) lemon juice at any level of concentration packed in retail-sized containers ready for sale to consumers; and (2) beverage products, such as lemonade, that contain 20 percent or less lemon juice as an ingredient by actual volume. “Retail-sized containers” are defined as lemon juice products sold in ready-for-sale packaging (e.g., clearly visible branding, nutritional facts listed, etc.) containing up to 128 ounces of lemon juice by actual volume.

The scope also includes certain lemon juice that is blended with certain lemon juice from sources not subject to these investigations. Only the subject lemon juice component of such blended merchandise is covered by the scope of these investigations. Blended lemon juice is defined as certain lemon juice with two distinct component parts of differing country(s) of origin mixed together to form certain lemon juice where the component parts are no longer individually distinguishable.

The product subject to these investigations is currently classifiable under subheadings 2009.31.4000, 2009.31.6020, 2009.31.6040, 2009.39.6020, and 2009.39.6040 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of these investigations is dispositive.

Background.—The final phase of these investigations is being scheduled, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)), as a result of affirmative preliminary determinations by Commerce that imports of lemon juice from Brazil and South Africa are being sold in the United States at less than fair value within the meaning of § 733 of the Act (19 U.S.C. 1673b). The investigations were requested in petitions filed on December 30, 2021, by Ventura Coastal LLC, Ventura, California.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is

sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11 of the Commission’s rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Please note the Secretary’s Office will accept only electronic filings during this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to § 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on September 27, 2022, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission’s rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on October 11, 2022. Information about the place and form of the hearing, including about how to participate in and/or view the hearing, will be posted on the Commission’s website at <https://www.usitc.gov/calendarpad/calendar.html>. Requests to appear as remote witness due to illness or a positive COVID-19 test result may be submitted by 3 p.m. the business day prior to the hearing.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference at 9:30 a.m. on October 6, 2022, if held. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. The deadline for filing posthearing briefs is October 18, 2022. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before October 18, 2022. On November 2, 2022, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before November 4, 2022, but such final comments must not contain new factual information and must otherwise comply with § 207.30 of the Commission's rules. All written submissions must conform with the provisions of § 201.8 of the

Commission's rules; any submissions that contain BPI must also conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

Additional written submissions to the Commission, including requests pursuant to § 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed.
