OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Determination Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: The United States Trade Representative (USTR) has determined that Eswatini (formerly known as Swaziland) has adopted an effective visa system and related procedures to prevent the unlawful transshipment of textile and apparel articles and the use of counterfeit documents in connection with the shipment of such articles, and has implemented and follows, or is making substantial progress towards implementing and following, certain customs procedures that assist the U.S. Customs and Border Protection in verifying the origin of the products.

In Proclamation 9687 dated December 22, 2017 (82 FR 61414), the President designated Swaziland (now known as Eswatini) as a “beneficiary sub-Saharan African country” and proclaimed, for the purposes of section 112(c) of AGOA, that Swaziland (now known as Eswatini) should be considered a lesser developed beneficiary sub-Saharan African country. Based on the actions Eswatini has taken, the United States Trade Representative has determined that Eswatini has satisfied the two requirements for eligibility for textile and apparel benefits under AGOA. In Proclamation 7350 of October 2, 2000, the President authorized the United States Trade Representative to perform the function of determining whether eligible sub-Saharan countries have met the two requirements described above. The President directed the United States Trade Representative to announce any such determinations in the Federal Register and to implement them through modifications in the Harmonized Tariff Schedule of the United States (HTS).

Accordingly, pursuant to the authority vested in the United States Trade Representative in Proclamation 7350, U.S. note 7(a) to subchapter II of chapter 98 of the HTS, is modified by inserting “Eswatini” in alphabetical sequence in the list of countries, and U.S. notes 1 and 2(d) to subchapter XIX of chapter 98 of the HTS are modified to add in numerical sequence, in the list of designated sub-Saharan African countries, the name “Eswatini,” in alphabetical sequence and to delete therefrom “Kingdom of Swaziland”.

The foregoing modifications to the HTS and to implement them are effective with respect to entries of textile and apparel articles and the use of counterfeit documents in connection with the shipment of such articles; and (2) have implemented and follow, or are making substantial progress towards implementing and following, certain customs procedures that assist the U.S. Customs and Border Protection in verifying the origin of the products.
