Product information, including uses/applications and source(s) of imports:

The bill covers welt footwear that has a protective metal toe-cap and outer soles of rubber, plastics, leather, or composition leather, and pigskin uppers (statistical reporting number 6403.40.3030).

Dutiable U.S. imports of the subject footwear entering under HTS subheading 6403.40.30 totaled about $463,000 in 2004; however, dutiable imports in 2003 were only $228,000, and the quantities have varied over time. China was the leading supplier of these imports in 2004.
The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only U.S. Customs and Border Protection is authorized to issue a binding ruling on this matter. The Commission believes that U.S. Customs and Border Protection should be consulted prior to enactment of the bill.
