**Technical comments:**<sup>4</sup>

The Commission staff suggests that the article description on page 1 of this report be used because it contains the correct subheading reference.

<sup>4</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
