Technical comments:⁵

The Commission staff notes that H.R. 4722, H.R. 5011, and H.R. 5417 each would extend the temporary duty suspension that is provided for in HTS heading 9902.10.80. Only one bill should be enacted.

⁵ The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
