

UNITED STATES INTERNATIONAL TRADE COMMISSION  
Washington, DC 20436

**MEMORANDUM ON PROPOSED TARIFF LEGISLATION  
of the 111<sup>th</sup> Congress<sup>1</sup>**

[Date approved: May 3, 2020]<sup>2</sup>

**Bill No. and sponsor:** S. 2599 (Mrs. Kay Bailey Hutchison of Texas).

**Proponent name,<sup>3</sup> location:** Michaels Stores, Inc., Irving, TX.

**Other bills on product (111<sup>th</sup> Congress only):** S. 2082, S. 2083, S. 2084, S. 2370, S. 2371, S. 2372, S. 2465, S. 2466, and S. 2600.

**Nature of bill:** Temporary duty suspension through December 31, 2011.<sup>4</sup>

**Retroactive effect:** None.

**Suggested article description(s) for enactment (including appropriate HTS subheading(s)):**

Artificial flowers of man-made fibers assembled as a single species bush, with or without foliage (provided for in subheading 6702.90.35).

**Check one:**      Same as that in bill as introduced.  
                   Different from that in bill as introduced (see Technical comments section).

**Product information, including uses/applications and source(s) of imports:**

The subject products are single species floral bushes made from artificial flowers of man-made fibers. A floral bush is a group of flowers either alone or together with greenery and/or other elements. The stems of the flowers, greenery, and other elements are molded together at the bottom of the assembly. Since the product is described as a single-species bush, the flowers will all represent the same species of flower. Floral bushes are typically components of larger arrangements that an end-user might put together. For example, an end-user might combine one or several single-species bushes with some artificial floral stems and press the ends of the bushes and stems in floral foam that is set in a container. The source of U.S. imports of these products is China.

<sup>3</sup> The sponsor/proponent did not identify any additional beneficiaries of this bill. USITC staff identified five additional beneficiaries of this bill that were not identified by the sponsor/proponent, and those beneficiaries submitted a written representation that they would benefit from this bill.

<sup>4</sup> This bill would create a temporary duty suspension for products that likely were covered by the temporary duty suspension on artificial flowers of man-made fibers under HTS 9902.25.65.10 that expired on December 31, 2009.

**Estimated effect on customs revenue for the subject product classifiable in HTS subheading 6702.90.35:**

	2010	2011	2012	2013	2014
Col. 1-General rate of duty	9%	9%	9%	9%	9%

None.

<sup>5</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
