**Public Solicitation of New Information**

To ensure that the 5-year reviews are complete and based on the best available scientific and commercial information, we are soliciting new information from the public, concerned governmental agencies, tribes, the scientific community, industry, environmental entities, and any other interested parties concerning the status of the species identified in Table 1. A 5-year review considers the best scientific and commercial data and all new information that has become available since the listing determination or most recent status review. Requested information includes (A) species biology, including but not limited to, population trends, distribution, abundance, demographics, and genetics; (B) habitat conditions, including but not limited to, amount, distribution, and suitability; (C) conservation measures that have been implemented that benefit the species; (D) threat status and trends; and (E) other new information, data, or corrections, including but not limited to, taxonomic or nomenclature changes, identification of erroneous information contained in the List, and improved analytical methods.

You may submit your comments and materials to the appropriate Field Supervisor or Refuge Manager (see ADDRESSES below) no later than the close of the comment period (see DATES) to allow us adequate time to conduct these 5-year reviews. If you do not respond to this request for information, but subsequently possess information on the status of any of these species, we are eager to receive new information regarding federally listed species at any time.

Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours.

Respondents may request that we withhold a respondent’s identity, as allowable by law. If you wish us to withhold your name or address, you must state this request prominently at the beginning of your comment. We will not, however, consider anonymous comments.

The record is defined in sec. 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

Certain Carbon Steel Products From Australia, Belgium, Brazil, Canada, Finland, France, Germany, Japan, Korea, Mexico, Poland, Romania, Spain, Sweden, Taiwan, and the United Kingdom  

ACTION: Scheduling of full five-year reviews concerning the countervailing duty and antidumping duty orders on certain carbon steel products from Australia, Belgium, Brazil, Canada, Finland, France, Germany, Japan, Korea, Mexico, Poland, Romania, Spain, Sweden, Taiwan, and the United Kingdom.  

SUMMARY: The Commission hereby gives notice of the scheduling of full reviews pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) (the Act) to determine whether revocation of the countervailing duty and antidumping duty orders on certain carbon steel products from Australia, Belgium, Brazil, Canada, Finland, France, Germany, Japan, Korea, Mexico, Poland, Romania, Spain, Sweden, Taiwan, and the United Kingdom would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B). For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).  

DATES: Effective Date: March 22, 2006.  

SUPPLEMENTARY INFORMATION:  

Background. On February 6, 2006, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews pursuant to section 751(c)(5) of the Act should proceed (71 FR 8874, February 21, 2006). A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements are available from the Office of the Secretary and at the Commission’s Web site.  

Participation in the reviews and public service list. Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission’s notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.  

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list. Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission’s notice of institution of the reviews pursuant to section 207.7(a) must file any request for further protection for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.  

Staff report. The prehearing staff report in the reviews will be placed in the nonpublic record on September 25, 2006, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission’s rules.  

Hearing. The Commission will hold hearings in connection with the reviews beginning at 9:30 a.m. on October 17 (corrosion-resistant steel) and October 19, 2006 (cut-to-length plate), at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before October 10, 2006. A nonparty who has testimony that may aid the Commission’s deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on October 13, 2006, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission’s rules. Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 business days prior to the date of the hearing.  

Written submissions. Each party to the reviews may submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.65 of the Commission’s rules; the deadline for filing is October 5, 2006. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission’s rules, and posthearing briefs, which must conform with the provisions of section 207.67 of the Commission’s rules. The deadline for filing posthearing briefs is October 30, 2006; witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before October 30, 2006. On December 5, 2006, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before December 8, 2006, but such final comments must not contain factual information and must otherwise comply with section 207.68 of the Commission’s...
