

FOREIGN PRODUCERS'/EXPORTERS' QUESTIONNAIRE
CERTAIN POLYESTER STAPLE FIBER FROM KOREA AND TAIWAN

Return completed questionnaire to:

UNITED STATES INTERNATIONAL TRADE COMMISSION

Office of Investigations, Room 615
500 E Street, SW, Washington, DC 20436

So as to be received by the Commission by no later than November 9, 2005

The information called for in this questionnaire is for use by the United States International Trade Commission in connection with its antidumping review investigations concerning certain polyester staple fiber from Korea and Taiwan (Inv. Nos. 731-TA-825-826 (Review)). The information requested in the questionnaire is requested under the authority of the Tariff Act of 1930, title VII.

Name of firm _____

Address _____

World Wide Web address _____

Has your firm produced or exported certain polyester staple fiber (as defined in the instruction booklet) at any time since January 1, 2000?

NO (Sign the certification below and promptly return only this page of the questionnaire to the Commission)

YES (Read the instruction booklet carefully, complete all parts of the questionnaire, sign the certification, and return the entire questionnaire to the Commission)

CERTIFICATION

I certify that the information herein supplied in response to this questionnaire is complete and correct to the best of my knowledge and belief and understand that the information submitted is subject to audit and verification by the Commission.

By signing this certification I also grant consent for the Commission, and its employees and contract personnel, to use the information provided in this questionnaire and throughout these reviews in any other import-injury investigations or reviews conducted by the Commission on the same or similar merchandise. (If you do not consent to such use, please note the certification accordingly.)

I acknowledge that information submitted in this questionnaire response and throughout these reviews may be used by the Commission, its employees, and contract personnel who are acting in the capacity of Commission employees, for developing or maintaining the records of these reviews or related proceedings for which this information is submitted, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3. I understand that all contract personnel will sign non-disclosure agreements.

PART I.--GENERAL QUESTIONS

The questions in this questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible. Public reporting burden for this questionnaire is estimated to average 20 hours per response, including the time for reviewing instructions, searching existing data sources, gathering the data needed, and completing and reviewing the questionnaire. Send comments regarding the accuracy of this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW, Washington, DC 20436.

Ia. Please report below the actual number of hours required and the cost to your firm of preparing the reply to this questionnaire and completing the form. _____ hours _____ dollars

I-1b. We are interested in any comments you may have for improving this questionnaire in general or the clarity of specific questions. Please attach such comments to your response or send them to the above address.

I-2. Provide the name and address of establishment(s) covered by this questionnaire (see page 4 of the instruction booklet for reporting guidelines). If your firm is publicly traded, please specify the stock exchange and trading symbol.

I-3. Please provide the names and addresses of the **FIVE** largest U.S. importers of your firm's certain polyester staple fiber in 2004.

I-4. In Parts II and III of this questionnaire we request a copy of your company's business plan. Does your company or any related firm have a business plan or any internal documents that describe, discuss, or analyze expected future market conditions for certain polyester staple fiber?

No Yes--Please provide the requested documents. If you are not providing the requested documents, please explain why not.

PART I.--GENERAL QUESTIONS--Continued

I-5. Does your firm or any related firm produce, have the capability to produce, or have any plans to produce certain polyester staple fiber in the United States or other countries?

No

Yes--Please name the firm(s) and country(ies) below and, if U.S. producer(s), ensure that they complete the Commission's producer questionnaire (contact Dana Lofgren, Investigator, (202) 205-3185 or dana.lofgren@ustic.gov, for copies of that questionnaire).

I-6. Does your firm or any related firm import or have any plans to import certain polyester staple fiber into the United States?

No

Yes--Please name the firm(s) below and ensure that they complete the Commission's importer questionnaire (contact Dana Lofgren, Investigator, (202) 205-3185 or dana.lofgren@usitc.gov, for copies of that questionnaire).

PART II.--TRADE AND RELATED INFORMATION

II-1. Has your firm experienced any plant openings, relocations, expansions, acquisitions, consolidations, closures, or prolonged shutdowns because of strikes or equipment failure; curtailment of certain polyester staple fiber production because of shortages of materials; or any other change in the character of your operations or organization relating to the production of certain polyester staple fiber since May 25, 2000 (the date on which the antidumping duty orders under review became effective)?

No

Yes--Supply details as to the time, nature, and significance of such changes.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-2. Does your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of certain polyester staple fiber in the future?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue. **Include in your response a specific projection of your firm's capacity to produce certain polyester staple fiber (in thousands of pounds) for 2005 and 2006.**

II-3. Would your firm anticipate any changes in the character of your operations or organization (as noted above) relating to the production of certain polyester staple fiber in the future if the antidumping duty orders on certain polyester staple fiber from Korea and Taiwan were to be revoked?

- No Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

II-4. Does your firm have any plans to add, expand, curtail, or shut down production capacity and/or production of certain polyester staple fiber in Korea or Taiwan in the future?

- No Yes--Please describe those plans, including planned dates and capacity/production quantities involved, and the reason(s) for such change(s). If the plans are to add or expand capacity or production, list (in descending order of importance) the markets (countries) to which such additional capacity or production would be directed. Provide relevant portions of business plans or other supporting documentation that address this issue.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-5. Describe the production technology used in the production of certain polyester staple fiber in Korea or Taiwan and identify major production inputs. Also discuss any significant changes in production technology since 2000 (the year the antidumping duty orders under review became effective).

II-6. Has your firm since January 1, 2000 produced other products on the same equipment and machinery used in the production of certain polyester staple fiber?

No Yes--Please provide the following information.

Quantity (in thousands of pounds)

Item	Calendar years					Jan.-Sept.	
	2000	2001	2002	2003	2004	2004	2005

PSF for carpeting ²							
Low-melt PSF ³							
Other ⁴							
All products							

¹ Merchandise of less than 3.3 decitex (less than 3 denier).
² Merchandise of 10 to 18 denier that are cut to lengths of 6 to 8 inches.
³ Bi-component fiber with an outer sheath that melts at a significantly lower temperature than its inner core.
⁴Please describe: _____.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-7. Has your firm since January 1, 2000 produced, or does your firm anticipate producing in the future, other products using the same production and related workers employed to produce certain polyester staple fiber?

No Yes--List the following information.

<u>Product</u>	<u>Period</u>	<u>Basis for allocation of employment data</u>
_____	_____	_____
_____	_____	_____

II-8. Please describe the constraint(s) that set the limit(s) on your production capacity.

II-9. What percentage of your firm's total sales in its most recent fiscal year was represented by sales of certain polyester staple fiber?

_____ Percent

II-10. Is your firm able to switch production between certain polyester staple fiber and other products in response to a relative price change in the price of certain polyester staple fiber vis-a-vis the price of other products, using the same equipment and labor?

No Yes--Please identify below the other products, the approximate time and cost involved in switching, and the minimum relative price change required for your firm to switch production to or from certain polyester staple fiber.

II-11. Has your firm maintained any inventories of certain polyester staple fiber in the United States (not including inventories held by firms identified in questions I-3, I-5, or I-6 above¹) since 2000?

No Yes--Report the quantity (in thousands of pounds) of such **end-of-period** inventories below.

Calendar year					January-September	
2000	2001	2002	2003	2004	2004	2005

¹ Such firms will report inventories in the Commission's importer or producer questionnaire.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-12. (a) Are your firm's exports of certain polyester staple fiber subject to tariff or non-tariff barriers to trade (for example, antidumping or countervailing duty findings or remedies, tariffs, quotas, or regulatory barriers) in any countries other than the United States?

No Yes--List the products(s), country(ies), the year each such barrier was imposed, and the type of barrier.

Product	Country	Year imposed	Barrier (if tariff, give rate)
_____	_____	_____	_____
_____	_____	_____	_____

(b) Are your firm's exports of certain polyester staple fiber subject to current investigations in any countries other than the United States that might result in tariff or non-tariff barriers to trade?

No Yes--List the products(s), country(ies), and type of investigation.

Product	Country	Type of investigation
_____	_____	_____
_____	_____	_____

II-13. Identify export markets (other than the United States) that you have developed or where you have increased your sales of certain polyester staple fiber as a result of the antidumping duty orders on certain polyester staple fiber from Korea and Taiwan. Please identify and discuss below.

II-14. Describe the significance of the existing antidumping duty orders covering imports of certain polyester staple fiber from Korea and Taiwan in terms of their effect on your firm's production capacity, production, home market shipments, exports to the United States and other markets, and inventories. You may wish to compare your firm's operations before and after the imposition of the orders.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-15. Would your firm anticipate any changes in its production capacity, production, home market shipments, exports to the United States and other markets, or inventories relating to the production of certain polyester staple fiber in the future if the antidumping duty orders on certain polyester staple fiber from Korea and Taiwan were to be revoked?

No

Yes--Supply details as to the time, nature, and significance of such changes and provide underlying assumptions, along with relevant portions of business plans or other supporting documentation, for any trends or projections you may provide.

PART II.--TRADE AND RELATED INFORMATION--Continued

II-16. Please report production capacity, production, shipments, and inventories of certain polyester staple fiber produced by your firm in Korea and/or Taiwan in 2000-2004, January-September 2004 and 2005, and projected 2005 and 2006.

² Reconciliation of data.--Please note that the quantities reported above should reconcile as follows: beginning-of-period inventories, plus production, less total shipments, equals end-of-period inventories. Do the data reported reconcile?

Yes No--Please explain: _____

³ Please estimate the percentage of total production of certain polyester staple fiber in Korea and/or Taiwan accounted for by your firm's production in 2004: _____ Percent

⁴ Please estimate the percentage of total exports to the United States of certain polyester staple fiber from Korea and/or Taiwan accounted for by your firm's exports in 2004: _____ Percent

¹ "Virgin polyester staple fiber," as used here, is single component, single crimp PSF that does not contain regenerated fibers. Virgin fibers are made directly from raw materials and are characterized by the purity of the whiteness of the fibers. ² "Conjugate polyester staple fiber," as used here, is spiral/double crimp PSF made from two types of fiber (also known as bi-component fiber). ³ "Regenerated polyester staple fiber," as used here, does not contain any virgin fibers. It is made from recycled PET stock. Blended virgin and regenerated fiber products do not fall within this definition.							

PART III.--MARKET FACTORS

III-1. Approximately what share of your firm's sales of certain polyester staple fiber to U.S. customers in 2004 were on a (1) long-term contract basis (multiple deliveries for more than 12 months), (2) short-term contract basis (multiple deliveries up to 12 months), and (3) spot sales basis (for a single delivery)?

Type of sale	Share of sales (percent)
Long-term contracts	
Short-term contracts	
Spot sales	

III-2. If you sell on a long-term contract basis, please answer the following questions with respect to provisions of a typical long-term contract.

- (a) What is the average duration of a contract? _____
- (b) Can prices be renegotiated during the contract period? _____
- (c) Does the contract fix quantity, price, or both? _____
- (d) Does the contract have a meet or release provision? _____

PART III.--MARKET FACTORS--Continued

III-3. If you sell on a short-term contract basis, please answer the following questions with respect to provisions of a typical short-term contract.

(a) What is the average duration of a contract? _____

(b) Can prices be renegotiated during the contract period? _____

(c) Does the contract fix quantity, price, or both? _____

(d) Does the contract have a meet or release provision? _____

III-4. What is the average lead time between a U.S. customer's order and the date of delivery for your firm's sales of certain polyester staple fiber?

Source	Share of 2004 sales	Lead time
From inventory		
Produced to order		
Total	100%	

III-5. To what extent have changes in the prices of raw materials affected your firm's selling prices for certain polyester staple fiber during January 2000-September 2005? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-6. Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of Korea or Taiwan-produced certain polyester staple fiber in the U.S. market since January 1, 2000?

No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

PART III.--MARKET FACTORS--Continued

III-7. (a) Do you anticipate any changes in terms of the availability of Korea or Taiwan-produced certain polyester staple fiber in the U.S. market in the future?

Increase No Change Decrease

(b) If you anticipate changes in supply, please identify the changes including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-8. Describe how easily your firm can shift its sales of certain polyester staple fiber between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting certain polyester staple fiber between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-9. Is the product range, product mix, or marketing of certain polyester staple fiber in your home market significantly different from the product range, product mix, or marketing of certain polyester staple fiber for export to the United States or to third-country markets? Have there been any significant changes in the product range, product mix, or marketing of certain polyester staple fiber in your home market, for export to the United States, or for export to third-country markets since January 1, 2000?

No Yes--Please describe and quantify if possible.

PART III.--MARKET FACTORS--Continued

III-10. Please discuss any anticipated changes in terms of the product range, product mix, or marketing of certain polyester staple fiber in your home market, for export to the United States, or for export to third-country markets in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-11. (a) Please list in order of importance any products that may be substituted for certain polyester staple fiber.

(1) _____ (2) _____ (3) _____

(b) For each possible substitute product, please give examples of applications and end uses for which they are substitutes.

(c) Have changes in the prices of these products affected the price for certain polyester staple fiber?

No Yes--To what degree do changes in their prices affect the price for certain polyester staple fiber? Does this effect have a time lag? If so, how long is the time lag for each substitute product? Does this vary by type of certain polyester staple fiber or final end use?

III-12. Have there been any changes in the number or types of products that can be substituted for certain polyester staple fiber since January 1, 2000?

No Yes--Please explain.

PART III.--MARKET FACTORS--Continued

III-13. Do you anticipate any changes in terms of the substitutability of other products for certain polyester staple fiber in the future?

- No Yes--Please describe. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-14. Is the certain polyester staple fiber produced by your firm and sold in its home market interchangeable (i.e., can be used in the same applications) with your firm's certain polyester staple fiber sold to the United States and/or to third-country markets?

- Yes No--Identify the market(s) and any differences in the products.

III-15. Describe the end uses of the certain polyester staple fiber that you manufacture and sell to your home market. If these end uses differ from those of the certain polyester staple fiber you sell to the U.S. market or to third-country markets, explain.

III-16. Have there been any changes in the end uses of certain polyester staple fiber since January 1, 2000?

- No Yes--Please describe.

PART III.--MARKET FACTORS--Continued

III-17. Do you anticipate any changes in terms of the end uses of certain polyester staple fiber in the future?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-18. How has demand within your home market and the United States (and outside the United States, if known) for certain polyester staple fiber changed since January 1, 2000?

- Increased Unchanged Decreased
 Other (describe) _____

What were the principal factors affecting changes in demand?

III-19. Do you anticipate any future changes in certain polyester staple fiber demand in your home market and the United States and, if known, the rest of the world?

- No Yes--Please describe and identify the time period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation, that address this issue.

III-20. Please compare market prices of certain polyester staple fiber in your home market, the United States, and third-country markets, if known. Provide specific information as to time periods and regions for any price comparisons.

PART III.--MARKET FACTORS--Continued

III-21. Describe briefly your home market for certain polyester staple fiber, including the number of, and competition between, producers.

III-22. Do you face competition from imports of certain polyester staple fiber in your home market?

No Yes--Please identify the country sources of any imports of certain polyester staple fiber into your home market.

III-23. Please provide as a separate attachment to this request any studies, surveys, etc. that you are aware of that quantify and/or otherwise discuss certain polyester staple fiber supply (including production capacity and capacity utilization) and demand in (1) the United States, (2) each of the other major producing/consuming countries, including Korea and Taiwan, and (3) the world as a whole. Of particular interest is such data from 2000 to the present and forecasts for the future.

III-24. Does your firm sell certain polyester staple fiber over the internet?

No Yes--Please describe, noting the estimated percentage of your firm's total sales of certain polyester staple fiber in 2004 accounted for by internet sales.

III-25. Has your firm refused, declined, or been unable to supply certain polyester staple fiber since January 1, 2000? (Examples include placing customers on allocation or "controlled order entry," declining to accept new customers or renew existing customers, delivering less than the quantity promised, unable to meet timely shipment commitments, etc.)

No Yes--Please note and document the time period(s) (i.e., month and year), country of origin, and the customer involved; and the amount and type of product involved.
