

and meeting facilitators. The primary purpose of these meetings will be to bring together interested parties to discuss the scope of the proposed action, reasonable alternatives to the proposed action, and other significant issues relating to the EIS preparation. We will consider other reasonable alternatives that may be suggested in the scoping process. The other issues include the identification of impact topics, data needs, and national, State, and local concerns that need to be considered. If meetings are held, the format will be structured to promote interaction among the participants to determine what issues and concerns should be addressed by the EIS.

We have identified five potential locations below where we are prepared to conduct public meetings if we receive sufficient interest. Please call, write, or email the person listed under the section **FOR FURTHER INFORMATION CONTACT** if you are interested in participating in a meeting at the location listed. For logistical reasons and for the benefit of the participants, we need to know approximately how many participants we can expect at each of the meetings.

- Pittsburgh, Pennsylvania.
- Knoxville, Tennessee.
- Alton, Illinois.
- Denver, Colorado.
- Washington, DC.

If a meeting is held, we will have some means available to make a formal record, which will be made part of the administrative record for the EIS. If you have written suggestions regarding issues, alternatives, and sources of additional information, we encourage you to give us a copy at the meeting. We will consider these written comments and also make them part of the record.

Any disabled individual who needs special accommodation to attend a public meeting is encouraged to contact the person listed under **FOR FURTHER INFORMATION CONTACT**.

If you wish to speak to an OSM representative to discuss the scope of the EIS or if you would like to request an additional meeting at a location and date that is more convenient to you, please contact the person listed under **FOR FURTHER INFORMATION CONTACT**. We will exercise our discretion as to whether additional meetings will be held and the form of such meetings. We will announce the details of any future meeting in the **Federal Register**, the OSM Web site (<http://www.osmre.gov>) and local newspapers as the meetings take form.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-287 (Review)]

Raw in-Shell Pistachios From Iran

AGENCY: United States International Trade Commission

ACTION: Notice of Commission determination to conduct a full five-year review concerning the antidumping duty order on raw in-shell pistachios from Iran.

SUMMARY: The Commission hereby gives notice that it will proceed with a full review pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)) to determine whether revocation of the antidumping duty order on raw in-shell pistachios from Iran would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the review will be established and announced at a later date. For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207,

subparts A, D, E, and F (19 CFR part 207).

EFFECTIVE DATES: June 6, 2005.

FOR FURTHER INFORMATION CONTACT: Mary Messer (202) 205-3193, Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on (202) 205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this review may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION: On June 6, 2005, the Commission determined that it should proceed to a full review in the subject five-year review pursuant to section 751(c)(5) of the Act. The Commission found that the domestic interested party group response to its notice of institution (70 FR 9976, March 1, 2005) was adequate and that the respondent interested party group response was inadequate. The Commission also found that other circumstances warranted conducting a full review.¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: June 10, 2005.

By order of the Commission.
