---

WASHINGTON, DC 20436

April 23, 2007

To Whom It May Concern:

The enclosed questionnaire pertains to the United States International Trade Commission's reviews of the countervailing duty and antidumping duty orders on Hot-Rolled Carbon Steel Flat Products ("hot-rolled steel"). The reviews are being conducted under the provisions of section 751 of the Tariff Act of 1930.

In these reviews the Commission must determine whether revocation of the countervailing duty orders on hot-rolled steel from Argentina, India, Indonesia, South Africa, and Thailand and the antidumping duty orders on hot-rolled steel from Argentina, China, India, Indonesia, Kazakhstan, Netherlands, Romania, South Africa, Taiwan, Thailand, and Ukraine would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. A copy of the Commission's notice of these reviews is enclosed and was published in the *Federal Register*.

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determinations. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

Please return the completed questionnaire to the Commission by no later than **May 23, 2007**.<sup>1</sup> If you have any questions concerning the questionnaire or other matters related to the reviews, please contact Mary Messer (202-205-3193 or [mary.messer@usitc.gov](mailto:mary.messer@usitc.gov)) of the Commission's staff. Correspondence may be sent to the above address or via FAX to 202-205-3205.

Sincerely,
