GENERAL INFORMATION, INSTRUCTIONS, AND DEFINITIONS

GENERAL INFORMATION

Background.--On July 1, 2002, the Department of Commerce issued a countervailing duty order on imports of PET film from India (67 F.R. 44179) and antidumping duty orders on imports of PET film from India and Taiwan (67 F.R. 44175 (India) and 44174 (Taiwan)). On June 1, 2007, the Commission instituted reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time (72 F.R. 30627). If the Commission makes affirmative determinations, the orders will remain in place. If the Commission makes negative determinations, the Department of Commerce will revoke the orders.

Additional questionnaires will be supplied promptly upon request, or photocopies of the enclosed questionnaire(s) may be used. Address all correspondence to the United States International Trade Commission, Washington, DC 20436. Hearing-impaired individuals can obtain information regarding this review via the Commission's TDD terminal (202-205-1810).

If you do not use the enclosed envelope, please make sure the completed questionnaire is sent to the attention of Cynthia Trainor. **Return only one copy of the completed questionnaire(s), but please keep a copy for your records so that you can refer to it if the Commission staff contacts you with any questions during the course of the reviews.**

Service of questionnaire response(s).--In the event that your firm is a party to these reviews, you are required to serve a copy of the questionnaire(s), once completed, on parties to the proceeding that are subject to administrative protective order (see 19 CFR § 207.7). A list of such parties is maintained by the Commission's Secretary and may be obtained by calling 202-205-1803.
