III-6. **Raw materials.**--To what extent have changes in the prices of raw materials affected your firm's selling prices for PRCBs since January 1, 2004? Also discuss any anticipated changes in your raw material costs in the future, identifying the time period(s) involved and the factor(s) that you believe would be responsible for such changes. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-7. **Changes in factors affecting supply.**--Have any changes occurred in any other factors affecting supply (e.g., changes in availability or prices of energy or labor; transportation conditions; production capacity and/or methods of production; technology; export markets; or alternative production opportunities) that affected the availability of PRCBs produced in China, Malaysia, or Thailand in the U.S. market since January 1, 2004?

- No Yes--Please note the time period(s) of any such changes, the factors(s) involved, and the impact such changes had on your shipment volumes and prices.

PART III.--MARKET FACTORS--Continued

III-8. Availability of SUBJECT import supply.--

(a) Do you anticipate any changes in terms of the availability of PRCBs produced in China, Malaysia, or Thailand in the U.S. market in the future?

Increase No change Decrease

(b) If you anticipate changes in supply, please identify the changes, including the time period and the impact of such changes on shipment volumes and prices. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-9. Product shifting.--Describe how easily your firm can shift its sales of PRCBs between the U.S. market and alternative country markets. In your discussion, please describe any contracts, other sales arrangements, or other constraints (including any third-country trade barriers such as tariffs, quotas, or other non-tariff barriers) that would prevent or retard your firm from shifting PRCBs between the U.S. and alternative country markets within a 12-month period. Provide any underlying assumptions, along with relevant portions of business plans or other supporting documentation that address this issue.

III-10. Product changes.--Is the product range, product mix, or marketing (including sales over the internet) of PRCBs in your home market significantly different from the product range, product mix, or marketing of PRCBs for export to the United States or to third-country markets? Have there been any significant changes in the product range, product mix, or marketing of PRCBs in your home market, for export to the United States, or for export to third-country markets since January 1, 2004?

No Yes--Please describe and quantify if possible.
