[C-351-504]

Final Results of Expedited Sunset Review: Heavy Iron Construction Castings from Brazil

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 3, 2010, the Department of Commerce (“the Department”) initiated the third sunset review of the countervailing duty order (“CVD”) on heavy iron construction castings from Brazil pursuant to section 751(c) of the Tariff Act of 1930, as amended (“the Act”). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of the domestic interested parties and an inadequate response from respondent interested parties (in this case, no response), the Department conducted an expedited sunset review of the CVD order pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B). As a result of this sunset review, the Department finds that revocation of the CVD order would be likely to lead to continuation or recurrence of a countervailable subsidy

at the level indicated in the “Final Results of Review” section of this notice.

EFFECTIVE DATE: September 8, 2010.

FOR FURTHER INFORMATION CONTACT: Christopher Hargett or David Goldberger, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4161 or (202) 482-4136, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On May 3, 2010, the Department initiated the third sunset review of the CVD order on iron construction castings from Brazil pursuant to section 751(c) of the Act. *See Initiation of Five-year (“Sunset”) Reviews*, 75 FR 23240 (May 3, 2010). The Department received a notice of intent to participate from the following domestic interested parties: East Jordan Iron Works, Inc., Neenah Foundry Company, and U.S. Foundry & Manufacturing Co. (collectively, “domestic interested parties”), within the deadline specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status under section 771(9)(C) of the Act, as domestic producers engaged

in the production of subject merchandise in the United States.

The Department received an adequate substantive response collectively from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). However, the Department did not receive a substantive response from any government or respondent interested party to this proceeding. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department conducted an expedited review of the CVD order.

Scope of the Order

The merchandise subject to the CVD order consists of certain heavy iron construction castings from Brazil. The merchandise is defined as manhole covers, rings and frames; catch basin grates and frames; and cleanout covers and frames used for drainage or access purposes for public utility, water and sanitary systems. The merchandise is currently classified under Harmonized Tariff Schedule ("HTS") item number 7325.10.00.

The HTS item number subject to the CVD order is provided for convenience and customs purposes. The written product description remains dispositive.

Analysis of Comments Received

All issues raised in this review are addressed in the Issues and Decision Memorandum ("Decision Memorandum") from Edward C. Yang, Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, dated August 31, 2010, which is hereby adopted by this notice. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendation in this public memorandum which is on file in the Central Records Unit room B-1117 of the main Commerce building. In addition, a complete version of the Decision Memorandum can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper copy and electronic version of the Decision Memorandum are identical in content.

Final Results of Review

The Department determines that revocation of the CVD order would be likely to lead to continuation or recurrence of a countervailable subsidy at the following weighted-average percentage margins:

Manufacturers/ Exporters/Producers	Weighted-Average Margin (Percent)
Country-wide rate	1.06

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing the results and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: August 31, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
