Certain Magnesia Carbon Bricks From Mexico: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: David Goldberger or Brandon Custard, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-4136 or (202) 482-1823, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 2, 2011, the Department of Commerce (the Department) published in the **Federal Register** a notice of “Opportunity to Request Administrative Review” of the antidumping duty order on certain magnesia carbon bricks from Mexico for the period of review (POR) of March 11, 2010, through September 6, 2010, and September 16, 2010, through August 31, 2011. See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review, 76 FR 54735 (September 2, 2011).

On September 30, 2011, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), the Department received a timely request from Resco Products, Inc., the petitioner and a domestic interested party, to conduct an administrative review of the sales of RHI-Refmex S.A. de C.V. Resco Products, Inc. was the only party to request this administrative review.

On October 31, 2011, the Department published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on certain magnesia carbon bricks from Mexico with respect to RHI-Refmex S.A. de C.V. See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, 76 FR 67133 (October 31, 2011).

On November 22, 2011, Resco Products, Inc. timely withdrew its request for a review of RHI-Refmex S.A. de C.V.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of notice of initiation of the requested review. Resco Products, Inc. withdrew its request for review before the 90-day deadline, and no other party requested an administrative review of the antidumping duty order on certain magnesia carbon bricks from Mexico for the POR. Therefore, in response to Resco Products, Inc.’s withdrawal of its request for review, and pursuant to 19 CFR 351.213(d)(1), the Department is rescinding in whole the administrative review of the antidumping duty order on certain magnesia carbon bricks for the period March 11, 2010, through September 6, 2010, and September 16, 2010, through August 31, 2011.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of antidumping duties

occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: December 9, 2011.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Solid Urea From the Russian Federation and Ukraine: Continuation of Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (the Department) and the International Trade Commission (ITC) that revocation of the antidumping duty orders on solid urea from the Russian Federation (Russia) and Ukraine would likely lead to a continuation or recurrence of dumping and material injury to an industry in the United States, the Department is publishing a notice of continuation of the antidumping duty orders.

DATES: *Effective Date:* December 20, 2011.

FOR FURTHER INFORMATION: Dustin Ross or Minoo Hatten, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0747 or (202) 482-1690, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2010, the Department initiated and the ITC instituted sunset reviews of the antidumping duty orders on solid urea from Russia and Ukraine,¹ pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). See *Initiation of Five-Year ("Sunset") Review*, 75 FR 74685 (December 1, 2010); see also *Solid Urea From Russia and Ukraine*, 75 FR 74746 (December 1, 2010).

As a result of these sunset reviews, the Department determined that revocation of the antidumping duty orders on solid urea from Russia and Ukraine would be likely to lead to continuation or recurrence of dumping and notified the ITC of the magnitude of the margins likely to prevail should the orders be revoked. See *Solid Urea From the Russian Federation and Ukraine: Final Results of the Expedited Sunset Reviews of the Antidumping Duty Orders*, 76 FR 19747 (April 8, 2011).

On November 15, 2011, pursuant to section 752(a) of the Act, the ITC determined that revocation of the antidumping duty orders on solid urea from Russia and Ukraine would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time. See *Solid Urea From Russia and Ukraine*, 76 FR 77015 (December 9, 2011), and ITC Publication 4279 (December 2011) entitled *Solid Urea from Russia and Ukraine: Investigation Nos. 731-TA-340-E and 340-H (Third Review)*.

Scopes of the Orders

The merchandise subject to the orders is solid urea, a high-nitrogen content fertilizer which is produced by reacting ammonia with carbon dioxide. The product is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) item number 3102.10.00.00. Previously such merchandise was classified under item number 480.3000 of the Tariff Schedules of the United States. Although the HTSUS subheading is

¹ On July 14, 1987, the Department published the following antidumping duty order: *Antidumping Duty Order; Urea From the Union of Soviet Socialist Republics*, 52 FR 26367 (July 14, 1987). In December 1991, the Soviet Union divided into fifteen independent states. On June 29, 1992, the Department transferred the antidumping duty order on solid urea from the Soviet Union to the Commonwealth of Independent States and the Baltic States. See *Solid Urea From the Union of Soviet Socialist Republics; Transfer of the Antidumping Duty Order on Solid Urea From the Union of Soviet Socialist Republics to the Commonwealth of Independent States and the Baltic States and Opportunity to Comment*, 57 FR 28828 (June 29, 1992).

provided for convenience and customs purposes, the written description of the merchandise subject to the orders is dispositive.

Continuation of the Orders

As a result of the determinations by the Department and the ITC that revocation of these antidumping duty orders would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, the Department hereby orders the continuation of the antidumping duty orders on solid urea from Russia and Ukraine.

U.S. Customs and Border Protection will continue to collect antidumping duty cash deposits at the rates in effect at the time of entry for all imports of subject merchandise. The effective date of continuation of these orders will be the date of publication in the **Federal Register** of this notice of continuation. Pursuant to section 751(c)(2) of the Act, the Department intends to initiate the next five-year review of these orders not later than 30 days prior to the fifth anniversary of the effective date of continuation.

These five-year sunset reviews and this notice are in accordance with section 751(c) of the Act and published pursuant to section 777(i)(1) of the Act.

Dated: December 13, 2011.

Certain Welded Carbon Steel Standard Pipe and Tube From Turkey: Intent To Rescind Countervailing Duty Administrative Review, in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 20, 2011.

FOR FURTHER INFORMATION CONTACT: Kristen Johnson, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, Room 4014, 14th Street and Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-4793

SUPPLEMENTARY INFORMATION:

Background

On March 1, 2011, the Department of Commerce (the Department) published a notice of opportunity to request an administrative review of the countervailing duty (CVD) order on certain welded carbon steel pipe and tube from Turkey. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 76 FR 11197 (March 1, 2011). On March 30, 2011, we received a letter from Erbosan Erciyas Boru Sanayi ve Ticaret A.S. (ERBOSAN) requesting that the company's entries for the period of review be reviewed by the Department. On April 27, 2011, the Department published the notice of initiation of the administrative review of this CVD order for the period of review (POR) of January 1, 2010, through December 31, 2010, which included ERBOSAN.¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 76 FR 23545 (April 27, 2011).

On October 27, 2011, the Department requested U.S. Customs and Border Protection (CBP) data on Type 3 entries of subject merchandise to the United States produced by EROBSAN during the POR. See Memorandum to the File from Kristen Johnson, Trade Analyst, AD/CVD Operations, Office 3, regarding "Request for Customs Data in the Countervailing Duty Administrative Review of Certain Welded Carbon Steel Standard Pipe from Turkey," (October 27, 2011). A Type 3 entry is an entry of merchandise imported into the United States which is subject to antidumping or countervailing duties, as the case may be, and for which liquidation is suspended until after the completion of an administrative review in which the assessment rate is calculated. We reviewed the customs data provided by CBP and found that there were no suspended entries of subject merchandise produced by ERBOSAN for the POR.

On November 3, 2011, we issued a letter to ERBOSAN explaining that the Department's practice requires there to be a suspended entry during the POR upon which to assess duties in order to conduct an administrative review.² As
