

OFFICE OF INVESTIGATIONS

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

December 30, 2011

To Whom It May Concern:

The enclosed questionnaire pertains to the United States International Trade Commission's investigations concerning steel wire garment hangers. The investigations are being conducted under the provisions of sections 701 and 731 of the Tariff Act of 1930.

In these investigations the Commission must determine whether there is a reasonable indication that an industry in the United States is materially injured or is threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from Taiwan of steel wire garment hangers that are allegedly sold in the United States at less than fair value and by reason of such imports from Vietnam that are allegedly subsidized and sold in the United States at less than fair value. A copy of the Commission's notice of these investigations will be published in the *Federal Register*.

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination.

Please return the completed questionnaire to the Commission by no later than January 12, 2012. If you have any questions concerning the questionnaire or other matters related to the investigations, please contact Jennifer Merrill or Stefania Pozzi Porter (202-205-3188 or 202-205-3177) of the Commission's staff. Correspondence and questionnaire responses may be submitted to the e-mail or physical addresses provided in the questionnaires; uploaded via the Commission's secure drop box (found at <https://dropbox.usitc.gov/oinv/>); or sent via FAX to 202-205-3205.

Sincerely,

A handwritten signature in black ink, appearing to read "Catherine DeFilippo".
