

21, 2012, after analyzing the substantive response of interested parties, consistent with 19 CFR 351.218(e)(1)(ii)(A), the Department determined to conduct an expedited sunset review of this AD duty order on the basis that no respondent interested party submitted a substantive response.

On February 14, 2012, the Department published in the **Federal Register** a notice entitled *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) (“*Final Modification for Reviews*”). In that notice, the Department announced the modification of its methodology regarding the calculation of the weighted-average dumping margins in certain segments of AD proceedings and stated that it would apply to all sunset reviews for which preliminary or final results were due more than 60 days after publication (*i.e.*, April 16, 2012). On July 23, 2012, the Department reconsidered its determination to conduct an expedited sunset review of this order and determined to conduct a full sunset review of the AD order on folding gift boxes from the PRC.<sup>3</sup> The preliminary results of this full sunset review are currently due July 23, 2012.<sup>4</sup>

**Extension of Time Limits**

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its determination by not more than 90 days, if it determines that the sunset review is extraordinarily complicated. We determine that this AD sunset review is extraordinarily complicated, pursuant to section 751(c)(5)(C) of the Act, because the issues that the Department must analyze pursuant to the *Final Modification for Reviews* are complex.

The preliminary results of this full sunset review of the AD orders on folding gift boxes from the PRC are currently scheduled for July 23, 2012, and the final results of this review are scheduled for November 28, 2012. The Department is extending the deadlines for both the preliminary and final results of the full sunset review. As a

result, the Department intends to issue the preliminary results of this full sunset review of the AD order on folding gift boxes from the PRC no later than October 19, 2012, and the final results of the review no later than February 26, 2013. These dates are 90 days from the original scheduled dates of the preliminary and final results of the full sunset review.

This notice is issued in accordance with sections 751(c)(5)(B) and (C)(v) of the Act.
