Abstract: The Taylor Grazing Act (43 U.S.C. 315–315n) and Subchapters III and IV of the Federal Land Policy and Management Act (43 U.S.C. 1731–1753) authorize and require BLM management of domestic livestock grazing on public lands consistent with land use plans, the principles of multiple use and sustained yield, environmental values, economic considerations, and other relevant factors. Compliance with these statutory provisions necessitates collection of information on matters such as permittee and lessee qualifications for a grazing permit or lease, base property used in conjunction with public lands, and the actual use of public lands for domestic livestock grazing.

Frequency of Collection: The BLM collects the information on Forms 4130–

1, 4130–1a, 4130–1b, and 4130–4 on occasion. The BLM collects the information on Forms 4130–3a and 4130–5 annually. Responses are required in order to obtain or retain a benefit.

Estimated Number and Description of Respondents: Any U.S. citizen or validly licensed business may apply for a BLM grazing permit or lease. The BLM administers nearly 18,000 permits and leases for grazing domestic livestock, mostly cattle and sheep, at least part of the year on public lands. Permits and leases generally cover a 10-year period and are renewable if the BLM determines that the terms and conditions of the expiring permit or lease are being met.

Estimated Reporting and Recordkeeping “Hour” Burden: 33,810 responses and 7,811 hours annually.

Estimated Annual Non-Hour Costs: \$30,000.

Estimates of the burdens are itemized below:

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C.

1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty order on steel wire garment hangers from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. For further information concerning the conduct of this review and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

DATES: *Effective Date:* December 20, 2013.

FOR FURTHER INFORMATION CONTACT: Stefania Pozzi Porter (202–205–3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–

The public record for this review may be viewed on the Commission’s electronic docket (EDIS) at <http://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background. On December 20, 2013, the Commission determined that the domestic interested party group response to its notice of institution (78 FR 54272, Sept. 3, 2013) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant

conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

Staff report. A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on January 17, 2014, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions. As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before January 23, 2014 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by January 23, 2014. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to electronic filing have been amended. The amendments took effect on November 7, 2011. See 76 FR 61937 (Oct. 6, 2011) and the newly revised Commission's Handbook on E-Filing, available on the Commission's Web site at <http://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service

must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Dated: January 6, 2014.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.

[Investigation No. 337-TA-871]

Investigations: Terminations, Modifications and Rulings: Certain Wireless Communications Base Stations and Components Thereof

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 35) by the presiding administrative law judge ("ALJ") terminating the investigation in its entirety based on withdrawal of the complaint.

FOR FURTHER INFORMATION CONTACT:

Clark S. Cheney, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone 202-205-2661. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone 202-205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 1, 2013, based on a complaint filed by Adaptix, Inc., of Carrollton, Texas ("Adaptix"). 78 FR 13895 (March 1, 2013). The complaint alleged

violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain wireless communications base stations and components thereof by reason of infringement of U.S. Patent No. 6,870,808. The notice of investigation named Telefonaktiebolaget LM Ericsson, of Stockholm, Sweden, and Ericsson Inc., of Plano, Texas (collectively, "Ericsson"), as respondents.

On December 3, 2013, Adaptix filed a motion to terminate the investigation in its entirety based on withdrawal of the complaint. Ericsson did not oppose the motion, and the Commission investigative attorney supported the motion.

On December 12, 2013, the ALJ issued an initial determination (Order No. 35) granting the motion. The ALJ noted that Adaptix certified that there are no agreements between the parties concerning the subject matter of the investigation and found that there are no extraordinary circumstances that should prevent Adaptix from withdrawing the complaint. The ALJ also found that terminating the investigation would conserve public and private resources. No petitions for review of the ID have been filed.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Dated: January 6, 2014.

Lisa R. Barton,

Acting Secretary to the Commission.
