Drug Enforcement Administration

[Docket No. 12-42]

Fred Samimi, M.D.; Decision and Order

On February 29, 2012, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration, issued an Order to Show Cause to Fred Samimi, M.D. (Respondent), of both Roseville and Elk Grove, California. ALJ Ex. 1, at 1. The Show Cause Order proposed the denial of Respondent's applications for DEA Certificates of Registration as a practitioner, with authority to dispense controlled substances in schedules II through V, at his proposed registered locations in Roseville and Elk Grove, California, on the ground that his registrations would be inconsistent with the public interest. *Id.*

More specifically, the Show Cause Order alleged that during undercover visits that were conducted by the Medical Board of California (MBC) in June 2006, June 2008, and December 2009, Respondent "allowed [his] medical assistants to dispense controlled substances to patients without supervision." *Id.* at 1. The Order also alleged that Respondent dispensed controlled substances "to patients without placing instruction for use on [the] labels attached to the prescription bottles." *Id.* at 1-2.

Next, the Show Cause Order alleged that on May 6, 2011, the MBC "issued a Stipulated Settlement and Disciplinary Order" to Respondent which made several findings. *Id.* at 2. First, the Show Cause Order alleged that the MBC found that during a December 10, 2009 audit of his Gold River, California clinic, the controlled substances were kept in an "unlocked and wide open" metal cabinet, and that Respondent told the MBC Investigator "that the room where the cabinet was located was typically left opened and unlocked during the work day" and that the "room was accessed by [Respondent] and [his] staff and was only locked at the conclusion of the work day." *Id.*

Second, the Show Cause Order alleged that the MBC found that on January 28, 2010, "[d]uring a follow-up . . . inspection" of the Gold River
