SUPPLEMENTARY INFORMATION: The 15-member council advises the Secretary of the Interior, through the BLM, on a variety of planning and management issues associated with public land management in Alaska. At this meeting, the Council will receive updates on BLM mitigation, discuss preliminary alternative concepts for the Central Yukon Resource Management Plan, review the newly released Planning 2.0 program, and receive a report and recommendations from the placer mining subcommittee. An agenda will be posted to the BLM Alaska Web site (<https://www.blm.gov/get-involved/resource-advisory-council/near-you/alaska/rac>) by January 26, 2017.

All meetings are open to the public. During the public comment period, depending upon the number of people wishing to comment, time for individual oral comments may be limited. Please be prepared to submit written comments. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Individuals who plan to attend and need special assistance, such as sign language interpretation, transportation, or other reasonable accommodations, should contact the BLM RAC Coordinator listed above.

Dated: December 20, 2016.

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-470-471 and 731-TA-1169-1170 (Review)]

Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses From China and Indonesia; Determinations

On the basis of the record¹ developed in the subject five-year reviews, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the countervailing and antidumping duty orders on certain coated paper suitable for high-quality graphics using sheet-fed presses from China and Indonesia would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted these reviews on October 1, 2015 (80 FR 59189) and determined on January 4, 2016 that it would conduct full reviews (81 FR 1966, January 14, 2016). Notice of the scheduling of the Commission's reviews and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on June 24, 2016 (81 FR 41345). The hearing was held in Washington, DC, on October 27, 2016, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on December 22, 2016. The views of the Commission are contained in USITC Publication 4656 (December 2016), entitled *Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses from China and Indonesia: Investigation Nos. 701-TA-470-471 and 731-TA-1169-1170 (Review)*.

By order of the Commission.

Issued: December 22, 2016.

Lisa R. Barton,

Secretary to the Commission.
