The Department intends to publish the final results of this administrative review, including the results of its analysis of issues addressed in any case or rebuttal brief, no later than 120 days after publication of these preliminary results, unless extended.10

Assessment Rates

Upon completion of this administrative review, the Department shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.11 If respondents’ weighted-average dumping margin is zero or de minimis in the final results of this review, we will calculate importer-specific assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for an importer’s examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). If respondents’ weighted-average dumping margin is zero or de minimis in the final results of this review, we will instruct CBP not to assess duties on any of its entries in accordance with the Final Modification for Reviews, i.e., “where the weighted-average margin of dumping for the exporter is determined to be zero or de minimis, no antidumping duties will be assessed.”12

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.
