

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

January 12, 2016

To Whom It May Concern:

This questionnaire pertains to Certain New Pneumatic Off-the-Road-Tires ("OTR tires") from China, India, and Sri Lanka. The United States International Trade Commission is investigating OTR tires under the provisions of Subtitles A and B of Title VII of the Tariff Act of 1930.

In these proceedings, the Commission must determine whether there is a reasonable indication that an industry in the United States is materially injured or is threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from China and India of OTR tires that are allegedly sold in the United States at less than fair value and by reason of imports of OTR tires that are allegedly subsidized by the governments of China, India, and Sri Lanka. The Commission has posted its notice of this proceeding on its website (www.usitc.gov) and published it in the *Federal Register*.

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination. The questions in the questionnaire have been reviewed with market participants to ensure that issues of concern are adequately addressed and that data requests are sufficient, meaningful, and as limited as possible.

As noted on the last page of the questionnaires, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than January 22, 2016. Please direct questions regarding U.S. importer questionnaires to Michael Szustakowski (msg@usitc.gov, 202-205-3169). Please direct questions and correspondence regarding all other questionnaires to Justin Enck (justin.enck@usitc.gov, 202-205-3363) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436. Correspondence may be sent to the above address or via FAX to 202-205-3205.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Haines".
