INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1109]

Certain Clidinium Bromide and Products Containing Same; Institution of Investigation

AGENCY: U.S. International Trade Commission

ACTION: Notice.

SUMMARY: Notice is hereby given that a complaint was filed with the U.S. International Trade Commission on February 20, 2018, under section 337 of the Tariff Act of 1930, as amended, on behalf of Valeant Pharmaceuticals International, Inc. of Canada. An amended complaint was filed on March 20, 2018. The complaint, as amended, alleges violations of section 337 based upon the importation into the United States or the sale after importation of certain clidinium bromide and products containing same by reason of false advertising and unfair competition under the Lanham Act, 15 U.S.C. 1125(a), the threat or effect of which is to destroy or substantially injure an industry in the United States;

(2) Notwithstanding any Commission Rules that would otherwise apply, the presiding Administrative Law Judge shall hold an early evidentiary hearing, find facts, and issue an early decision, as to whether the complainants have demonstrated an injury or threat of injury to an industry in the United States. Any such decision shall be in the form of an initial determination (ID). Petitions for review of such an ID shall be due five calendar days after service of the ID; any replies shall be due three business days after service of a petition. The ID will become the Commission’s final determination 30 days after the date of service of the ID unless the Commission determines to review the ID. Any such review will be conducted in accordance with Commission Rules 210.43, 210.44, and 210.45, 19 CFR 210.43, 210.44, and 210.45. The Commission expects the issuance of an early ID relating to the requirement of an injury to an industry in the United States within 100 days of institution, except that the presiding ALJ may grant an extension of the ID of up to 50 days for good cause shown. The issuance of an early ID finding that complainants failed to demonstrate an injury or threat of injury to an industry in the United States shall stay the investigation unless the Commission orders otherwise; any other decision shall not stay the investigation or delay the issuance of a final ID covering the other issues of the investigation;

(3) Pursuant to Commission Rule 210.50(b)(1), 19 CFR 210.50(b)(1), the presiding administrative law judge shall take evidence or other information and hear arguments from the parties and other interested persons with respect to the public interest in this investigation, as appropriate, and provide the Commission with findings of fact and a recommended determination on this issue, which shall be limited to the statutory public interest factors set forth in 19 U.S.C. 1337(d)(1), (f)(1), (g)(1);

(4) For the purpose of the investigation so instituted, the following are hereby named as parties upon which this notice of investigation shall be served:

(a) The complainants are: Valeant Pharmaceuticals North America LLC, 400 Somerset Corporate Boulevard, Bridgewater, New Jersey and Valeant Pharmaceuticals International, Inc., 2150 St Elzéar Boulevard West, Laval, Quebec, Canada H7L 4A8
