Ammonium Sulfate From the People’s Republic of China: Final Results of the Expedited First Sunset Review of the Countervailing Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this expedited sunset review, the U.S. Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on ammonium sulfate from the People’s Republic of China (China) would likely lead to the continuation or recurrence of countervailing duties at the levels indicated in the “Final Results of Review” section of this notice.

DATES: Applicable June 8, 2022.

SUPPLEMENTARY INFORMATION:

Background

On May 9, 2017, Commerce published the CVD order on imports of ammonium sulfate from China. On February 1, 2022, Commerce published the notice of initiation of the first sunset review of the Order pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). On February 14, 2022, Commerce received a notice of intent to participate, within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i). Commerce received no substantive responses from any other interested parties.

On March 21, 2022, Commerce notified the U.S. International Trade Commission that we did not receive an adequate substantive response from the Government of China or from respondent interested parties. As a result, pursuant to section 751(c)(2)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)—(C), Commerce conducted an expedited (120-day) sunset review of the Order.
