[Federal Register Vol. 87, No. 170 / Friday, September 2, 2022 / Notices]

Supplementary Information:

Frozen Warmwater Shrimp From China, India, Thailand, and Vietnam; Notice of Commission Determination To Conduct Full Five-Year Reviews

Action: Notice.

Summary: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on frozen warmwater shrimp from China, India, Thailand, and Vietnam would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

Dates: August 5, 2022.

Supplementary Information: On August 5, 2022, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response and the respondent interested party group responses from India, Thailand, and Vietnam to its notice of institution (87 FR 25665, May 2, 2022) were adequate and that the respondent interested party group response from China was inadequate. A record of the Commissioners’ votes will be available from the Office of the Secretary and at the Commission’s website.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission’s rules.

By order of the Commission.

Issued: August 30, 2022.

Katherine Hiner,

Acting Secretary to the Commission.
