members include BASF Corporation, Florham Park, New Jersey; Evonik Superabsorber LLC, Greensboro, North Carolina; and Nippon Shokubai America Industries, Inc., Pasadena, Texas. The Commission scheduled the final phase of the investigation following notification of a preliminary determination by Commerce that imports of SAP from South Korea were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 28, 2022 (87 FR 38422). The Commission conducted its hearing on October 18, 2022. All persons who requested the opportunity were permitted to participate.

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on emulsion styrene-butadiene rubber from Brazil, Mexico, Poland, and South Korea would be likely to lead to continuation
