

## EXPLANATION OF COMMISSION DETERMINATION ON ADEQUACY

in

### *Ironing Tables from China*

Inv. No. 731-TA-1047 (Third Review)

On May 7, 2021, the Commission determined to conduct an expedited review in the five-year review in the above referenced proceedings pursuant to section 751(c)(3)(B) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(3)(B)).

The Commission received a response to its notice of institution filed on behalf of Home Products International, Inc., (“HPI”), a domestic producer of ironing tables. The Commission found that HPI’s individual response was adequate. Because HPI accounted for all domestic production of ironing tables in 2020, the Commission determined that the domestic interested party group response was adequate.

No respondent interested party filed a response to the notice of institution. Consequently, the Commission also determined that the respondent interested party group response was inadequate.

The Commission did not find any circumstances that would warrant conducting a full review. It therefore determined to conduct an expedited review of the order.

A record of the Commissioners’ votes is available from the Office of the Secretary and the Commission’s web site ([www.usitc.gov](http://www.usitc.gov)).
